School of Computing and Data Science

FYP-2 (2026/09) Turnitin and AI Policy

(1) Instructions for Turnitin and AI Similarity Checking

Step 1: Turnitin Similarity & AI Writing Check

- Students are required to submit their thesis draft to their supervisor for checking before submitting it to Turnitin for similarity and AI writing checks.
- Students must submit their **thesis draft** to **Turnitin** before/latest by **Week 13, Friday, 25 December 2026.**
- If the similarity score of **20% or below (≤ 20%)** is considered acceptable.
- If the similarity score **exceeds 20% (> 20%)**, students are required to their thesis and reduce the similarity **before** the submission deadline of **Week 14, Tuesday, 29 December 2026 at 7:00 a.m.**.
- Students are advised to spare at least 2 working days for their supervisor to review and sign the thesis, sign the required documents, and to provide the necessary approval before submitting the final documents to the FYP team **by 30 December 2026, 2 p.m. (Week 14)**.

Step 2:AI Usage & Similarity Agreement Form

- Download, fill up, and sign the **AI Usage & Similarity Agreement Form**.
- Submit the signed form together with the thesis via FYP-2 Moodle.

(2) Penalty on The Similarity Checking

- Penalty for Turnitin Similarity Index (approved 2026/09)

Turnitin Similarity Index	Similarity Level	Penalty
0-20%	Acceptable	No penalty
21-24%	Minor	Deduction of 2 marks
25-30%	Moderate	Deduction of 5 marks
31-40%	High	Deduction of 10 marks
41-50%	Very High	Deduction of 15 marks
Above 50%	Excessive	Fail the thesis

- Penalty for AI Writing index (approved 2026/09)

AI Writing Index	AI Detected Writing Level	Penalty
0-20%	Acceptable	No penalty
21-24%	Minor	Deduction of 4 marks
25-30%	Moderate	Deduction of 10 marks
31-40%	High	Deduction of 15 marks
41-50%	Very High	Deduction of 20 marks
Above 50%	Excessive	Fail the thesis
